

Kentridge Booster Club GM Meeting June 5, 2018

Meeting called to order at 6:12 p.m. by president Lisa Slavik.

Minutes approved from March 20, 2018.

Request made for a new treasurer. Current treasurer, Anita Kallish no longer has children attending Kentridge.

Patty Kassebaum (Vice President) will look into NCAA rules (www.NCAApublishations.com) to avoid 'pay to play' situations and protect scholarships.

From the treasurer:

When you look up your electronic ledger, July 31st is the old school year. August 1st begins the new fiscal year.

Insurance (\$1660.00 - \$98.00 per group) was paid. This was covered by the money raised through the 1 Green Planet fundraiser and the Fred Myers refund check.

If you need to request (1) insurance documentation for coverage of an event or (2) a check, please allow at least 2 weeks.

Reminder: if you need to write a check for more than \$1500.00 it needs to be approved by the Athletic Director (perhaps there is school money that would cover the cost) and will need 2 signatures – one of which needs to be a KR Booster Club board member. Safety equipment goes through ASB instead of Boosters.

Reminder: if more than \$600 is paid to someone, they will need proper documentation for taxes.

Any fundraiser needs to be approved by the Athletic Director and Booster Club President so we do not have multiple groups doing similar fundraisers at the same time. Also, fundraisers can not be tracked for individual players/members.

Welcome to our new Women's Basketball Coach: Brad McDowell

If running a camp, send Booster Club President a list of dates and what will be happening at the camp so she can inform the insurance company.

Next year's meetings need to be set for Sept, Nov, March, and June.
