

# KRHS BOOSTER CLUB

## MINUTES

**Meeting of March 8, 2012**

**Location: Kentridge High School**

**In Attendance: See Attached**

**Approval of Minutes:** One typo was corrected. Otherwise minutes were approved as submitted.

### **Executive Board Update:**

**Club Financial Report:** Deanna presented account balances as of Jan 31, 2012. She also discussed the importance of each Parent Rep turning in their balance sheet every month even if the PR doesn't think there has been any activity. There is frequently activity on the bank statement that is delayed. This is the only way to ensure that all accounts balance and that any possible errors can be caught in a timely manner

**New Members:** Girl's Soccer was welcomed.

### **Member Updates:**

**Wrestling:** The season wrapped up with 2 entrants to State and Kenny Hobbs finished in 6<sup>th</sup> place. Congratulations!

**Photo:** The club has a fundraiser in the works.

**Track:** The track team is having a car wash and is pre-selling tickets. The team wants to buy new throwing equipment.

**Judo:** The team is raising money to take the team to High School Nationals

**Girl's Soccer:** The team had a fundraiser at Applebees

**Cross Country:** Nothing to report

**Football:** The team will sell Gold Cards again this year. They are also investigating the possibility of webcasting their games. The team would raise advertising money and then split it 50/50 with the company doing the webcast.

**Girl's Swim:** Nothing to report

**New Business:** The board had asked Mr. Anderson to present information about the ASB Budget process. The teams and clubs are looking for guidance about what ASB will pay for, and how much, and what their Booster Clubs will be required to pay for.

Mr. Anderson provided historic data about income and expenses showing the steady decline of the budget. He also provided district guidelines regarding fundraising.

The team's budget requests are due to Mr. Anderson in the spring. They can assume that they will get what they are asking for. The coach must include items that the Booster Club funds will buy if those items are "donated" to the school (ie: uniforms, sweats, headgear) Anything of smaller value or items that go directly to the participants (ie: t-shirts, senior night gifts) don't need to be noted in the ASB budget request.

**Goodsearch.com:** Mr. Waltner has signed the Booster Club up on this search engine, which passes through a small percentage of advertising dollars to its participating charities. The amount is driven by clicks using this search engine. This is a potential fundraiser for the General Budget of the Booster Club.

**Next Meeting:** Annual Meeting, June 14, 2012 at 6:30pm

**Adjournment:** 8:37 pm
