Thunderbirds Fundraiser- Made about \$2000.00. We made the most out of all the schools that participated. It was the night before Thanksgiving, so low turnout for obvious reasons. Eric working with them to get donated tickets throughout the season VS one game

Amanda Malave (Judo) is donating \$1500.00 from her son's non- profit organization (the Sebastian Malave Sports Fund) to the Booster Club general fund.

Robotics Club and Tennis would like to join Boosters, welcome to you both. See Deanna for details on setting up US Bank Accounts ASAP.

We are hoping that Baseball joins Boosters in the Fall (encouraged by Mr. Anderson)

**Fundraisers:**

Concessions at French Field- Have a night that the Booster Club works concessions

Sounders/ Seahawks concessions- work hours go to the Booster Club. Which kids are going to participate? Need coordinating volunteer.

Shredding Fundraiser: Distribute information / flyers at conferences. How do we get kids to sell vouchers for the shredding day? Can this be an ongoing fundraiser? Cameron and Eric Anderson to follow up and promote more to follow...

Car Test Drive Fundraiser (\$10 per test drive) - possibly in conjunction with the Shredding day, Vince Howard to coordinate with Cameron

Spring Sports Auction hosted by the Booster Club was mentioned as a possibility; lot's of work and must be planned 1 year in advance. Good option as we get more Teams onboard.

Is it possible to raise annual membership fee to cover the cost of the web site and incidentals?  
How about \$25 per club?
